Love God, love yourself, love one another

Dear Parents and Carers,

We enjoyed a fantastic assembly led by Year 3 this morning; it was about the book they are reading in class, 'Charlie and the Chocolate Factory' by Roald Dahl. The children put on a delightful performance to tell the start of the story which included acting and singing. Well done Year 3 it was like being at the theatre!

All the children from Nursery to Year 6 who are in Green Team, went to the cinema today as a reward for collecting the most points last term. They had a good time and enjoyed the film. It was a fun opportunity for brothers and sisters to go on a trip together and for the staff in green team to go with them for a treat too.

Have a good half term holiday.

Best wishes,
Nicola Horton

Reminder: All pupils return back to school on Monday 20th February 2017.

Super School Council Meeting

The topics for yesterday's meeting were:

- Healthy eating
- Anti-bullying

These are the ideas and comments from the meeting!

Year 1 said having bananas every week and drinking milk every day at break time is a good idea.

Say **“stop it I don't like it”**. Try playing with other friends who are good and do not bully. You should tell your mum and dad and a teacher if you are getting bullied.

Year 2 We would like posters to show what is healthy and what is not healthy. It would be good to display these around the school and in the Church. Doing exercise is also a great idea; push ups are good.

Stand up to bullies and then ignore them!

Year 4's tips for dealing with bullying

- count to 10 and calm yourself down
- talk firmly and walk away
- do not take sides
- tell a staff member

Ayesha in year 3 said bullies are sad and angry and hurt others to release pain.

Bullying is having power over someone; bullies think they are the king.

Year 3 also said having healthy eating posters and banners in the hall would encourage people to eat healthily. Eating fruit and vegetables every day is good for you.

In Reception we have been reading the story of the Gingerbread man. On Thursday we made Gingerbread men but they ran out of the oven and got away!! The hungry fox had taken them, we went on a hunt for them and found clues, made traps, wanted posters and letters. We all completed some writing to talk about our day, luckily the fox gave them back to us in the end and they were yummy!

Well-done **Year 1** and **Year 4** for winning the lining up awards this half term.

Both classes had a non-uniform day today, extra 10 minutes play time at break and even chose their own activity in the afternoon!

HOUSE TEAM WINNERS!
★ DONALDSON TEAM ★

Ready For School (Early Years) Workshops

**Dear Parent / Carer please attend the
Ready For Schools workshop
on Monday 20th February @ 9.15am**

SHS offer specialist support and training to schools and their families.
As parent / carer for a child due to join Reception year, you have the chance to
come along to this valuable workshop.

.....it's been a big impact for my readiness I really didn't consider how much needed to be considered until today.....

This is just some of the feedback given to School-Home Support (SHS) after the workshops to other parents.

The move from home to nursery to Reception year entry is a big step and brings lots of fears, worries and this workshop gives you ways of how to support your child and family with the change.

.....I feel less worried about how my children will feel.....

.....a few things have come to light which his teacher will expect him to be able to do unless I tell them otherwise.....

Knowing what is expected and how to prepare your child and family for this next step up with the school will aid emotional and social confidence in Reception year and have a positive impact on your child's journey through to future years.

You and your child need to prepare for this move..

**Are you ready?
Is your child ready?
What do schools mean by "Ready"?**

Come along to the **Ready For School** workshops starting on

**Monday 20th February 2017
9.15am - 11.15am
Father Duncan Ross Room**
