Friday 10th June 2016

Dear Parents and Carers,

Today's assembly led by Year 1 was amazing. The children worked so well together as a team to tell us about their learning this term, which was all about toys and included their visit to the Museum of Childhood. We are proud of you Year 1!

The Queen's 90th Birthday Celebrations: A big thank you to all the parents who were involved with creating the royal family tree, photo gallery and the Queens photo frame displays. The school looks very royal and colourful as do the staff and children! The sun came out and we have enjoyed ourselves.

Healthy Eating Week from Monday 13th until Friday 17th. We will send home a record sheet for your child to complete.

The school is changing it's policy about allowing dogs on the premises. From Monday 13th June no dogs will be allowed on the school premises. Thank you in advance for your cooperation.

Best wishes

Nicola Horton

BOOK TOKENS

When a child has collected all 6 of the school's value badges they are awarded a book token during our Pupil of the Week assembly on Tuesdays. This is part of SPSSL's award system for children who consistently show the school's 6 values in their learning and behaviour. As we are a Reading School, it is important to ensure that the book token is spent on books and not stationary.

Ms Horton enjoys hearing from the children which books they have bought and who their favourite authors are, so please let her know when you have purchased a book with the token which can be spent at any bookshop including WH Smith!
