Love God, love yourself, love one another

Dear Parents and Carers,

We are impressed with the great attitude, 100% attendance and huge effort that all of the Year 6 children made in their SATs last week. Some of the questions in the reading and maths papers were definitely challenging, but every child had a go and tried their best. Now Year 6 will be working hard to improve their writing, so that the teacher's assessment can be the best result possible for each child by the time we have to give the writing results to the local authority later in June. Well done Year 6! Year 6 have exciting trips and treats planned for the rest of the term as well as a focus on science, RE and writing in lessons.

Thank you to Year 3 for their class assembly this morning, which we enjoyed. Well done Year 3!

I hope everyone is enjoying the Bug Club reading books which Miss Sharpe introduced to the school last week. We want all the children at SPSL to develop a love of reading as reading is the key to their success at secondary school and in the future.

Best wishes,
Nicola Horton
