Friday 15<sup>th</sup> April 2016

Dear Parents and Carers,

Welcome back to a new school term. I am really pleased that almost all of our children have come to school this week in their correct school uniform including footwear. Wearing school uniform helps children to take pride in themselves and makes them feel part of the school. I shall continue to monitor this and will be reminding parents if the standard slips! Please ensure your child brings their PE kit each week so that they can join in the PE lessons, learn new skills, develop their fitness level and keep healthy by doing regular exercise.

All the children have started learning about their new summer term topics; watch out for the curriculum newsletter which will be sent home next week. Please support your child by reading the curriculum newsletter and talking to your child(ren) about their learning. It is important that children are motivated to learn independently as well as with adult support. To encourage life-long learning we ask children to complete their learning log each week. This term a very good piece of work that a child has completed at home, will be chosen from each class and put on our school website. We can then celebrate the fantastic learning children do inside and outside school!

Best wishes  
Nicola Horton
