Love God, love yourself, love one another

Dear Parents and Carers,

Year 6 put on an amazing show in assembly today which was all about their learning this term in science, RE and ICT. They wrote the scripts and performed for us in an entertaining way. There is definitely a lot of talent in Year 6! Their singing was great and the prayer was very special. Thank you also to Safia who helped the children put the show together. Well done Year 6!

Parent consultations were mostly well attended. Thank you to parents and carers for supporting your children by coming to meet the teachers. The parent questionnaires that have been completed are very positive, but I would like more parents to complete one so it is attached again. (So far 45 parents have given in their questionnaires). We do like to know what you think about the school and we take note of your views so that we can make improvements where possible.

Best wishes
Nicola Horton
