Dear Parents and Carers,

Thank you to all parents who returned the school meal forms. As promised we placed all of the forms that were returned on time into a draw to win a £20 shopping voucher. The lucky winner is Umer Siddique in Reception. Happy Shopping!

On Monday the teachers and support staff took part in a 'Big Maths' training day. 'Big Maths' is a new model of teaching the number aspect of maths to the children which has been proven to rapidly improve their recall of important number facts such as number bonds and times tables.

We have had two special visitors in school this week to support children with their learning. On Tuesday the children in Year 3 took part in an amazing Viking experience day linked to their topic. They had the chance to wear traditional costumes, handle artefacts and learn lots of new information to help them in their future learning. On Wednesday the school was lucky enough to be visited by Karin Littlewood, an author and illustrator. The children really enjoyed sharing some of her texts.

Thank you to the parents who came to support Year 6SB in their assembly this morning. It is fantastic to see how much the children are enjoying their topic.

PE Kits

PE is a national curriculum subject which has to be taught to all pupils.

Your child must have their PE / swimming kit in school on the days when they have PE (check your curriculum newsletter for the days).

If your child has a medical condition which prevents them from taking part in PE lessons you must write a letter explaining the reason.
