Love God, love yourself, love one another

Dear Parents and Carers,

We enjoyed watching Reception's class assembly today. They sang a song about 3D shapes and surprised us with their fantastic maths learning and vocabulary. They acted out the story of Little Red Hiding Hood and spoke their lines clearly using the microphone really well. Well done Reception you worked together brilliantly!

CATCH THEM READING!

We want parents to send us photos of your children reading. We will put them on display in the classrooms and choose one photo each week for the newsletter. Thank you to Taaron's mum for sending this great photo of Taaron reading. Please read with your child often and encourage reading for pleasure to help your child to develop a life-long interest in reading.

Spark a lifelong love of reading. Taaron Salfarlie in Year 2 enjoying some Bug Club reading.

Have you got the reading bug? Share your photos!

Best wishes
Nicola Horton

Year 5 had a fantastic educational visit to the British Library. After an early start, they entered a magical world, learning all about the different types of magic people have believed in throughout the past thousands of years. In addition, they learned all about how J.K. Rowling incorporated historical magic into her wonderful and captivating books. Did you know there are over five types of magic? Ask a Year 5 student to list as many as they can.
