Love God, love yourself, love one another

Dear Parents and Carers,

This morning our Year 6 pupils led a wonderful assembly linked to their World War 2 topic. It was clear to see how much they are enjoying their learning. We all enjoyed listening to their singing, watching their acting and listening to all that they now know about this period in history.

We have been celebrating values week in school this week. It has been fantastic to see so many children coming to see me with their values stickers to exchange for a badge. Some children have even received enough badges this week to gain book token. Well done! Please remember to wear your badges everyday.

Thank you to the parents and carers of our Year 2 and Year 6 children who attended the parent consultation meetings yesterday. We thank you in advance for the extra support you will be giving to your child(ren) between now and their SATs in May.

Remember to look out for the after school club forms which children will be bringing home next week.

Yesterday's parent consultations attendance:

Have a lovely weekend,
