Love God, love yourself, love one another

Dear Parents and Carers,

After half term we will be looking for a new parent governor to fill the vacancy we have on the governing body. I would like to invite parents/carers to the Friday coffee morning on 11th November when I will explain the role and responsibility of being a parent governor. I very much hope that parents/carers will attend. If you are interested in being a parent governor and can't make the meeting I will send out the information and I am also happy to meet you another time to discuss the role.

Year 2 sang beautifully in their assembly this morning about the great fire of London which happened in 1666. They told us about the great plague too which was very gruesome! They worked together superbly. Well done Year 2 I can tell that you are enjoying learning about your topic.

I hope you have a good half term holiday next week. Remember that school starts again for children on Tuesday 1st November.

Best wishes

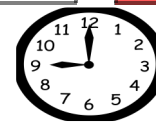

Nicola Horton

Emotional First Aid

Do you sometimes feel anxious about everyday life?
Do children and family life sometimes cause you stress?
Don't worry - it's normal, but talking can help you manage those feelings

The Emotional First Aid course helps parents explore their own feelings and gain an understanding of their own emotional well-being

I had a chance to talk about my feelings- something I never do.

I really enjoyed the course, I feel more able to deal with my anxieties and realise that being anxious is a normal part of life

Tuesday 8th November – 13th December 2016
9:30am - 12:00pm

This course will take place in the Father Duncan Ross Room.

Nee-Naw! Nee-Naw! Nee-Naw!!! Did you hear the sound coming from Nursery and Reception last week as we had the Fire Brigade come in for a visit? As a part of our topic, 'People who help us', we invited in fire fighters to talk about how they help people in our community. We were so lucky to hear all about how they use their uniforms to keep themselves safe from the fire if they need to rescue people. Also they even showed us the inside of their fire engine! This was a wonderful experience to help our topic come alive!
