Friday 22nd April 2016

Dear Parents and Carers,

St Paul with St Luke School is aiming to achieve the Bronze award for Healthy School status this term. To get off to a good start school council led an assembly with Miss Proctor (Reception teacher) about healthy eating. This surprised, shocked and enlightened all of us about how much sugar there is in fizzy drinks. We have our sports coaches in school to ensure there is high level of exercise for pupils in school each week. We are also ensuring that all snacks children have in school are healthy fruits and vegetables.

All after schools clubs start next week. We are making a small change to Theatre club as we did not get a very good response to that club from KS1, only 3 pupils signed up. We have therefore decided to open it to Year 4 and 5. Please register your interest with a member of the office team by 9.30am on Wednesday 26th April. Theatre club will start week beginning 2nd May, please wait to receive a confirmation slip next Friday.

Best wishes
Nicola Horton
Head Teacher

We are a reading school!

Order from The Book People and use discount code: **qrTN8zy** to receive a free gift! SPSL will receive a 10% discount every time you order using the fundraising code. This will be used to purchase more books for the school. **Expires 06/06/2016.**

Year 3 - Theatre Royal Drury Lane

On Wednesday, Year 3 went to the theatre to watch Charlie and the Chocolate Factory. The show is based on a 1964 children's book by British author Roald Dahl.

"I felt amazed by the acting and the singing. I loved it! The sound effects were very loud".

Riley, Year 3

Reception - Learning to Use Money

Yesterday, Reception went shopping in Lidl. We all had £1 each to buy fruits and experience receiving change back. Ask more about our shopping experience!

Year 1 - Educational Visit to Mile End Park

Observing Seasonal Changes

Year one went back to the park that we visited in winter. We were interested to see what changes might have taken place now that it is spring. We investigated what different colours we could see using colour charts. We had great fun being fantastic scientists and collecting specimens that we found. These were very different to the ones we collected in winter as much more was growing. We had a lot of fun learning in the park and thinking about the changes from winter to spring. We wonder how it will change in summer.
