Love God, love yourself, love one another

Dear Parents and Carers,

Good Manners

The children have been practising their good manners since the beginning of term, including saying 'please' and 'thank you', with great success. Our next good manner to practice starting from next week, is to make eye contact when we are talking to another child or an adult. It is delightful to see children from Year 1 to Year 6 sitting together in their house teams at lunchtime and earning points for their houses by displaying their good manners.

Year 6 led the first class assembly of the term for parents today all about our school value *caring and respectful*. Year 6 will soon be off on their residential trip to Hautbois in Norfolk and we expect them to show their good manners at all times and make us proud of them as they represent our school on this exciting adventure.

We will be collecting donations of food (tins and packets) and toiletries for our Harvest collection from Monday 26th September. The Harvest service is in our church on Wednesday 5th October at 9:15am.

Best wishes

Nicola Horton
