Love God, love yourself, love one another

Dear Parents and Carers,

It was Year 5's turn to show us what they have been learning in their class assembly today. We were impressed at how much they know about their topic The Ancient Greeks. They presented their learning in a range of interesting ways: including writing, poetry and a cat walk in which they modelled Greek clothes. Well done Year 5 keep up the good learning!

This morning Liam McQuade from Tower Hamlets led a parents' workshop and a workshop for children in Year 5 and Year 6, about how to keep yourself safe when using the internet and how to avoid being bullied online.

These workshops are part of our Anti-Bullying activities at SPSL. At the beginning of next term we will have an Anti-Bullying week to highlight what bullying is to all children and staff and ensure that we all know how to deal with bullying and how to stop it. On Monday we will send out information for parents about keeping children safe when using the internet. The school has an Anti-Bullying policy which is updated every year, it is on our website and parents can request a copy from the office.

Best wishes

Nicola Horton

Children's Clothing

We have had a number of children whose items of clothing have gone missing recently.

Parents can also check the lost and found box which is located in the entrance.

Label School Uniform

Please ensure that your child's clothes have their name clearly written on them so that they are easy to identify. It will help the staff and children to find their own clothes at the end of the day, or after PE lessons. If your child has come home in clothes that are not theirs, please return to the school as soon as possible.

Please remember to check the diary dates weekly. (Changes might apply).

Nursery Trip Autumn 2016

The Nursery class went on a trip to the Half Moon Theatre to see a play called 'Leaf'. We enjoyed learning all about the seasons: we watched a leaf blossom in the spring, thrive in the summer, get chilly in the autumn and eventually fall to the ground in the winter. We then got to explore the leaves together! Thank you to the parent volunteers!
