Dear Parents and Carers,

I am really pleased to let you know that the school was judged to be 'Good' in the recent inspection by SIAMS. This is an inspection of schools that are church of England schools like ours. The report, which is very positive about the school, is attached with this newsletter. The staff, children and governors have worked hard to achieve this result. Congratulations to all!

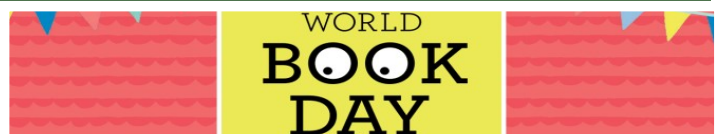

Year 3 shared with us in their assembly today, their learning in RE this term. It was lovely that we were able to see our school values linked to Jesus and his life. The children modelled the values by *working together* and *taking responsibility* to use loud voices to present their work.

The baby ducklings in Nursery are featured in this newsletter; it has been very exciting watching them hatch.

Six of our school governors visited the school today to observe maths teaching and learning in classes. They commented on the children's engagement, enjoyment and excitement about maths, which they saw in all lessons. They observed strong teaching and lots of progress being made by the children.

Best wishes

Nicola Horton

Open A Book

Open a book
And you will find,
People and places of every kind;
Open a book
And you can be,
Anything you want to be;
Open a book
And you can share,
Wondrous words you find in there
Open a book
And I will too,
You read to me,
And I'll read to you!
