Dear Parents and Carers,

We have had a busy week at SPSL! The Ofsted inspection took place on Tuesday and Wednesday; 3 inspectors spent their time observing lessons, looking at children's work in their books, checking health and safety and behaviour policies and procedures amongst other monitoring activities. They talked to pupils about what it is like to be a pupil at this school and talked to members of school council, Year 6 pupil leadership team, governors, staff and parents. We are expecting to be sent the Ofsted report within the next three weeks and will share this report with parents when we do.

Thank you to parents for supporting us and helping the Ofsted inspection go smoothly. Thank you also to children who behaved really well; staff for their hard work and governors for their encouragement and support.

It was **VALUES WEEK** and we have given out all our value stickers to deserving children. Twelve children have earned a book token.

Best wishes

Nicola Horton

Year 4 - Educational Visit

On Monday Year 4 went on a trip to the Science Museum's IMAX cinema where we watched Robots, a 3D documentary all about how and why Robots are made and what they do to help humans. This was to support our new topic learning: 'Rise of the Robots'. We were also lucky enough to explore the rest of the museum, learning about electricity and power sources, which is our Science topic!

"My favourite part of the trip was watching the documentary because I learnt that there are different types of Robots that are designed to do different jobs". **Anika, Year 4**

"We had a brilliant day! The film was amazing and we enjoyed seeing the rest of the museum, especially the section on electricity". **Irfan, Year 4**

End of the day - late collections

We have recently had a high number of children being collected late from school. Please can you ensure you collect your children from school, after school clubs or boosters on time. If you are unavoidably late then we ask that you ring the school office with your reason and expected time of arrival.

Year 2 - Educational Visit

Yesterday, Year 2 went to The Natural History Museum.

"I loved the trip".

"We saw the T-Rex!"

"I loved the workshop especially making the dinosaur".

"The Stegosaurus had a skull like a Giraffe".

Year 1 - Educational Visit - Wednesday 27th April

Year 1 went to the Museum of Childhood as part of our topic 'Toys and Games'. We took part in a teaching session called Toys on a time line where we learnt about old toys and new toys. We had so much fun trying out all the different toys and games. We also looked around the museum at all of the toys on display. We particularly liked the moving toys and the giant robot.
