Dear Parents and Carers

Our assembly this week about the wonders of God's world, inspired children to write appreciative messages to the trees and flowers in the playground. Children tied leaf shape messages onto their favourite trees with red ribbon and the playground looked very festive. Reis Wilson in Year 3 wrote this prayer which shows that he is being spiritual and reflective. We are encouraging children to write their own prayers for our class prayer books and also to read them in assemblies.

Dear God

I am astonished by the colours of the leaves on the trees and the beautiful flowers in the world.

Help us to take care of the trees and all the wonders of your creation.

The shining blue lakes and the rolling waves of the sea are awesome.

You truly are a great creator.

Amen

Reis Wilson Y3

Best wishes

Nicola Horton

Year 1 get on the Emirates Cable Cars.

Year 1 had great fun on Wednesday. They took a trip around London using lots of different types of transport. The highlight was the journey on the Emirates cable car, where they had a fantastic view of London. Everyone was fantastically well behaved and had a wonderful day out.

SPSL FOOTBALL TEAM

Now that SPSL have a football team, we have played some games recently. We've played at Bow School twice now and will be playing every Monday. But the match I want to talk about is our game on Friday. We played at St Pauls Way Trust school. The team we played were called Ben Johnson. We each had many opportunities to score, especially us, yet we were not able to get any goals in, neither did they. So in the end it was nil-nil, but still a great game.

Mr Cottom said we were the better team!
