**Love God, love yourself, love one another**

Dear Parents and Carers,

Today in assembly Year 5 children introduced the Fitness Challenge for this half term which is athletics. We look forward to taking part in this in 2 weeks time.

I am very proud of how hard Year 2 and Year 6 children are working to do well in their tests; they are showing a positive attitude and want to do well. Next week Year 6 take the real tests and we wish them all the best and encourage them to keep trying hard and to believe that they can do it! Year 2 are having their tests in small groups all through May.

You may have heard your children talking about the Bug Club. The Bug Club is a powerful whole school reading programme that is proven to raise attainment in reading – and loved by over a million children in the UK. Our children are certainly loving it. Children can access all the books online and all children have been given their own username and passwords to access the site. In addition to this, children take home a real book each week. Look out for parent/carer workshops being run next week in your child's classroom. See class teachers for more details.

Best wishes,  
Nicola Horton
