**Love God, love yourself, love one another**

Dear Parents and Carers,

It has been a really good start to the spring term. The children have settled back very quickly into classroom routines and are working hard in lessons. Behaviour in lessons, around the school and at lunchtimes and playtimes has been good. Lots of children are using their good manners which is lovely to see. The Head Boy, Head Girl and Deputy Head Boy led an interesting assembly today about Dreams and Goals for 2017. The message was try hard and don't give up if you want to achieve your dream or goal. Mr Cottom said that his goal is for everyone to work even harder in Year 6 so that the children do their best learning and are ready for the SATs in May.

It has been frosty and icy this week. Please ensure your children are dressed warmly for the cold weather and also remember PE kits on PE days.

On Thursday 26<sup>th</sup> January there is a special meeting for parents of children in nursery and reception classes, which will be led by me and will be in the hall. Please see the notice over the page.

Happy new year and may all your dreams come true in 2017!

Best wishes

Nicola Horton

## Hand, Foot and Mouth Disease

Hand, foot and mouth disease (HFMD) is usually a short mild illness that mainly affects children. Guidance from Public Health England is that children should not routinely be kept from school if they have hand, foot and mouth disease, if they are well enough in themselves to attend.
