Dear Parents and Carers,

The Year 4 class led a fantastic assembly for parents and the school today about our school value 'celebrating individuality'. They showed us their brilliant skills in reading, writing, dancing, singing, acting and many more. We enjoyed the assembly very much! They worked together really well to organise the assembly.

Parent Governor: I am pleased to inform parents that we now have a vacancy for a new parent governor to join our highly effective and supportive Governing Body. This is a valuable opportunity for a parent to get involved in supporting and improving the school and to represent parents. We are looking for a parent who is interested in being a parent governor and who can commit the time to attend two governors' meetings each term. Please see attached information.

School Councillors: We have new school councillors to represent each class from Year 1 -Year 6. Their first task in their new role will be to ask children to complete a questionnaire to find out how happy and safe they feel at school. The results will help us to improve any areas that need developing.

Best wishes

Nicola Horton

The Green Cross Code

- 1) First find the safest place to cross
- 2) Stop just before you get to the kerb
- 3) Look all around for traffic and listen
- 4) If traffic is coming, let it pass
- 5) When it is safe, go straight across the road – do not run

When crossing between parked cars, use the Green Cross Code. When the road is clear, cross, still looking and listening as you go.
