Friday 15th July 2016

Dear Parents and Carers,

I am delighted that the children in Year 6 have achieved very good results in their SATs (national tests) this summer. They have put in a lot of effort and worked very hard with a positive attitude all year in order to do well. We are extremely proud of them and their achievements as they move onto secondary school. Year 2 have also worked hard and their results from tests and teacher assessments are good too. The national data does not get sent to us until later in the autumn term, but we are pleased with our own results.

This week the 3 sports afternoons were great fun, children staff and parents had a good time whatever the weather!. Thank you to Mr Cottom for organising them. Thank you to everyone else who helped.

Your child will meet their new teacher for next year next Monday afternoon. You will get a letter on that day telling you who your child's new teacher is. You will also receive your child's end of year report. Please make sure you get these. Also please sign up for a parent consultation time with the teacher you haven't already.

Best wishes

Nicola Horton

SPSL entered the British Nutrition Foundation Healthy Eating Week 2016 competition and won the Primary category!

The £1000 prize money is intended to support work based around cooking, healthy eating or physical activities within our school.

And the winner is...

Healthy Eating Week
