**St Paul with St Luke C of E
Primary School
Leopold Street
London
E3 4LA
020 7987 4624**

Literacy

We will be reading non-fiction, fiction and poetry linked to our Topic: Rise of the Robots! Children will write character descriptions, poetry, debate and argument letters and reports/newspapers.

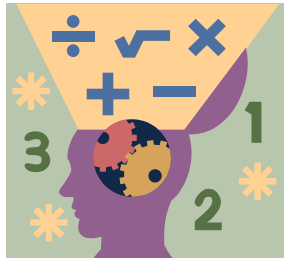

In terms of grammar, we will be focusing on appropriate nouns and pronouns, using a wider range of conjunctions, adverbs and prepositions in our writing. We will also focus on punctuation such as full stops, question marks, commas, exclamation marks, speech marks and apostrophes.

Maths

In maths we will be working on: multiplication and division.

We will also be focusing on decimals, fractions, area, and measurement.

In addition we will be developing our mental maths skills through the Big Maths CLIC sessions, as well as learning our times tables.

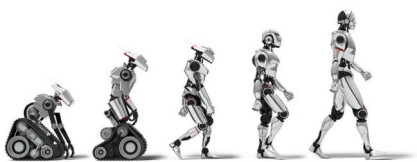

Science

In Science this term, we are learning about Electricity. The children will learn to construct simple series circuits, trying different components, for example, bulbs, buzzers and motors, including switches, and use their circuits to create simple devices.

Topic—Rise of the Robots

Children will learn about what a Robot is, the different types of Robots that exist and the jobs they do. They will also find out, not only how robots help humans around the world but also how they have affected our world and technology.

RE

Our RE theme for this term is: What Do The Miracles of Jesus Teach Us?

We will be exploring the miracles of Jesus and the message they give, as well as other people who have been said to have performed miracles.

We will also be learning about the Beatitudes and their message.

Swimming

We will continue to have swimming lessons as part of our Physical Education programme at Mile End Leisure Centre. Please ensure your child brings their full swimming kit EVERY THURSDAY! Children will leave at 2:30pm and be back at school at **3:55pm**.

PE or Swimming Day:

Swimming is every THURSDAY.
PE is every TUESDAY.

Homework

'Learning Log.' Children will be asked to 'show' their learning in whichever way they want to—the more creative the better. Look out for your child's Learning Log where the method is explained in more detail.

Reading Diaries:

Please make sure you read with your child regularly and help support them by making a comment in the yellow reading diary.

Your child's reading target is:
To read daily for at least 30 minutes (longer if you can!). You can help your child achieve their target by checking they are reading everyday and making a note in their Yellow reading diary.

Children will change library books every Monday. Please ensure that they bring their books in, so they are reading a different book each week.
