Tuesday 23rd July - Inset Day (school is closed)

Wednesday 24th July - Inset Day (school is closed)

Thursday 25th July - Start of Summer Holidays
(school is closed)

In Nursery this term we are concentrating on teaching all areas of the curriculum through the topic, People who Help us.

Literacy

We will be reading a range of books, both fiction and non-fiction to explore our topic. We will be finding out different aspects of People Who Help Us through writing, reading, art and role play activities.

This term the children will be concentrating on recognising their names. Please encourage them to find their name when they arrive and self register before they read a book on the carpet.

In Phonics, we are learning all about listening in our environment as well as learning rhymes and musical rhythms! We will encourage the children to use the Read Write Inc. frieze to find the letters in their names. These have a range of pictures which help the children to learn to recognise the letters.

Mathematics

We will be using our Core Books to help us with our learning in mathematics too! Children will be counting and sorting objects, using this as an opportunity to see how many they have altogether. The children will begin to learn 2D shapes and will be encouraged to look for shapes in the environment!

Religious Education

This term we will be celebrating Harvest Festival and Christmas.

Areas of learning

There are many other areas of learning in the EYFS curriculum including; singing, role play, drawing and painting, climbing, running, cutting, sticking, playing with small world toys such as farm animals and train sets.

We strongly encourage every child to take part in every area of the curriculum.

Tapestry Journals

You will have received your log in for the Tapestry online journal where you will see photos and videos of your child's learning. Remember to check this regularly and discuss what you can see with your child. Also don't forget to add comments and upload your videos and photos at least once a week.

Parent Workshops

We will be holding half termly Parent Workshops. We will let you know when these are approaching. All are welcome and encouraged to join in with your child!
