*Love God, love yourself, love one another*

**St Paul with St Luke  
Primary School  
Leopold Street  
London  
E3 4LA**

**020 7987 4624**

In Nursery this term we are concentrating on teaching all areas of the curriculum through the topic, Traditional Tales.

### Literacy

We will be reading a range of books, both fiction and non-fiction to explore our topic. We will be finding out different aspects of Traditional Tales through writing, reading, art and role play activities.

This term the children will be concentrating on writing their names. Please encourage them to find their book and write their name when they arrive and also practise at home.

In Phonics, we are learning all about listening in our environment as well as learning rhymes and musical rhythms! We will also be focusing on initial letter sounds, alliteration and rhyming words.

### Mathematics

We will be using our Core Books to help us with our learning in mathematics too! Children will be counting and sorting objects, using this as an opportunity to see how many they have altogether. We will be working on numeral recognition. As well as the concepts of adding more or taking some away from a group. The children will continue to learn 2D shapes, colours, days of the week and months of the year.

### Religious Education

This term we will be celebrating Easter.

### Areas of learning

There are many other areas of learning in the EYFS curriculum including; singing, role play, drawing and painting, climbing, running, cutting, sticking, playing with small world toys such as farm animals and train sets.

We strongly encourage every child to take part in every area of the curriculum.

### Tapestry Journals

Please remember to log on regularly to your Child's Tapestry online journal, where you will see photos and videos of your child's learning. Please discuss what you can see with your child.

### Support Learning at Home

### Homework

In Nursery the children's homework is to upload a video or photo on Tapestry of something they have done outside of school **at least once a week**. Thank you to those parents who are doing so. Please ask if you need help with this.

### Parent Workshops

We will be holding half termly Parent Workshops. We will let you know when these are approaching. All are welcome and encouraged to join in with your child!
