

Dear Families,

We had a lovely partnership INSET day during Polling Day with our Diocesan adviser, working on our next steps after a leadership and teaching and learning inspection day. Our benchmarked successes in Ofsted and SIAMS (we do have double inspections) is due to the continued openness to constant improvement.

May is Mental Health Awareness month, our passion with increasing pressures on children is to ensure they grow up with the mental health skills to be psychologically flexible, and resilient. This is not always deepened within the existing curriculum so with colleagues from King's College London we are writing a curriculum including psychology and neuroscience along with deepening our work on philosophy, equality, diversity and inclusion

ATTENDANCE MATTERS

Our school target is 96% This week:

Our attendance policy is on our school website. Paper copies are available from the office.

The Attendance Welfare Officer (AWO) checks our school registers regularly and will contact parents by letter, telephone or a home visit if there is a cause for concern. Formal referral of pupils with persistently less than 90% attendance may be made. Be aware that parents can ultimately be fined or prosecuted for non-attendance offences.

Attendance Matters

You must call the school office before 9am to report you child's absence or if they will be late coming to school.

Failure to report your child's absence would result in them getting an authorised absence mark on the register.

POLITE NOTICE

At St. Paul with St. Luke, we are very fortunate to have supportive and friendly parents/carers. Our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community. As a partnership, our parents will understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school. However, if a parent/carer's conduct falls short of this we will take necessary steps to address this.

Every child has the right to be on the school site but parents and carers are invited, therefore we remind you that you must conduct yourself in line with our code of conduct policy.

This policy is on our website and paper copies are available from the office.
