

## NEWSLETTER W/E 10th May 2024

Dear Families,

A wonderful week filled with sunshine that makes the school come alive and children smiles even wider!

Today, not only were children spending time relaxing but they also enjoyed the sun.

All children will have received their reports today. The Government require schools to send out a report annually, we prefer this to be before the end of year so we still have time to work on next steps before transitioning to the next year group.

Next week is SATs for our Year 6 pupils, if you have a concern, or question, please call the office because Senior Leaders are timetabled to support the legal administration of the tests. They will give you a call back when they can.

Wishing you all a wonderfully sunny (hopefully!) weekend,

*Mrs Smith  
& Mr Hall*

# ATTENDANCE MATTERS

**Our school target is 96%**  
**This week: 91%**

**MOMENTS  
MATTER,  
ATTENDANCE  
COUNTS.**

**MOMENTS  
MATTER,  
ATTENDANCE  
COUNTS.**

Our attendance policy is on  
our school website.  
Paper copies are available  
from the office.

You must call the school office before  
9am to report you child's absence or if  
they will be late coming to school.

The Attendance Welfare Officer  
(AWO) checks our school  
registers regularly and will  
contact parents by letter,  
telephone or a home visit if  
there is a cause for concern.  
Formal referral of pupils with  
persistently less than 90%  
attendance may be made. Be  
aware that parents can  
ultimately be fined or  
prosecuted for non-attendance  
offences.

Failure to report your child's absence  
would result in them getting an  
authorised absence mark on the  
register.

# Year 5 attend the Grand Reopening of the Mile End Leisure Centre!

In an exciting event that blended fun, sportsmanship, and community engagement, Year 5 children recently flocked to the Mile End Leisure Centre for its grand opening. Located in the heart of Tower Hamlets, this occasion not only marked the unveiling of a new recreational hub but also provided a platform for young enthusiasts to interact with the Mayor of Tower Hamlets and engage in various sports activities.

One of the main attractions of the event was the array of sports activities available for the children to enjoy. From badminton to table tennis and even a bouncy castle, there was something for every child to participate in and enjoy. These activities not only provided a platform for the children to engage in physical exercise but also fostered teamwork,

competition among them.

Among the many participants, one standout moment was when Tyler, a Year 5 student, had the opportunity to play table tennis with the Mayor himself. The friendly match symbolized the spirit of camaraderie and mutual respect that permeated throughout the day's activities.

### Year 5 Pupil Voice: A Day to Remember at Mile End Leisure Centre

"The activities in Mile End Leisure Centre were very fun and exciting. There were bouncy castles, tennis and badminton. When I was there I saw the mayor, his name was Lutfur Rahman. He is the mayor of Tower Hamlets. The mayor even played one of my classmates in badminton and my classmate won the match."

~Eliana

"The activities that we did in the Mile End Leisure Centre were, bouncy castle that had slides, a secret passage and punching bags, there were also 2 badmintons and a ping pong table. We met the Mayor of Tower Hamlets, the deputy and photographers. The Mayor was playing ping pong with many different people. The activity that I enjoyed the most was the bouncy castle. I felt excited because we were going on a trip to meet the Mayor and we were going to do lots of activities."

~Habibah

"In the grand reopening of the Mile End Leisure Centre there were a variety of activities, such as a fascinating bouncy castle and lots of sports such as badminton and table tennis. Inside the Mile End Leisure Centre we met some colleagues and met the mayor. Instead of the company Better, it was now named Be Well. We played lots of games, my favourite out of all of them is badminton because when the shuttle is targeting you, you have to shoot at it as fast as you can until the game becomes intense. The whole of Year 5 were invited there to see the mayor of Tower Hamlets and have a lot of fun there."

"At the Mile End Leisure Centre we went to the new sports hall to try out some activities such as badminton, table tennis, ping pong and playing on the bouncy castle. Over there we met new staff and the mayor. He also played table tennis with a student from our class! I enjoyed playing badminton and table tennis with my friends because I haven't played it in a long time. I think we were invited because the mayor wanted our class to see the grand opening. I felt strange about the new slogan 'Be Well' because I've been there for almost 3 years and it used to be called 'Better'. Everything else seemed way better than before!"

### **POLITE NOTICE**

At St. Paul with St. Luke, we are very fortunate to have supportive and friendly parents/carers. Our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community. As a partnership, our parents will understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school. However, if a parent/carer's conduct falls short of this we will take necessary steps to address this.

Every child has the right to be on the school site but parents and carers are invited, therefore we remind you that you must conduct yourself in line with our code of conduct policy.

This policy is on our website and paper copies are available from the office.
