

NEWSLETTER W/E 07th June 2024

Dear Families,

We are pleased to inform you that after consideration and consultation, both Governing Bodies have agreed for our two schools to form a Federation.

We have been collaborating in a deepening partnership over the last two years. We believe partnerships allow our schools to be stronger together, more connected for our staff and pupils. This was illustrated by our joint residential where the children and staff were able to enjoy their time together, collaborate, play games, face fears and go on an adventure.

We understand that for some of you, the federation may not be very different to the partnership already experienced between the two schools. The main changes as we move from Partnership to Federation are that we will have one Governing Body for both schools. We are enabled to continue with confidence to increase our partnership working. It also makes us more resilient at a time of pressure on budgets. We hope that if any of you have been unsettled by the change over the last couple of years, you will see its benefits as collaboration beds in. The fact that our children can enjoy gardening, swimming, forest school, and specialist lessons as part of their ordinary curriculum is a testament to the strength of working together.

We thank you for your ongoing support and as always more than happy to answer any questions you might have.

*Mrs Smith
& Mr Hall*

SCHOOL NOTICE BOARD

Our Year 6 children had a fantastic time on their residential at Fair Play House this week. The children showed amazing resilience and teamwork in a wide range of activities; High Ropes, Archery, 3-G Swing, Night-walk and Caving. They coped wonderfully well with being away from home and being asked to be independent in dressing and making their own beds, setting breakfast, lunch and dinner tables, clearing away and washing up after themselves. It really was a fantastic experience for the children as part of their 'School Journey' with us.
