English

This term we will be enjoying Rick Riordan's 'Percy Jackson and the lightning thief'. We will use this as our model text to produce a story setting, a non-chronological report and a diary entry. We will also explore poetry and decode poems and their meaning.

Maths

During maths we will learn all about place value; Roman numerals, reading writing and understanding numbers to 1,000,000. We will then move on to addition and subtraction before tackling multiplication, division and fractions in the second half of the Autumn term.

Millions	Thousands	Units
4	5	6
7	9	8
one million, five hundred sixty-four thousand, seven hundred ninety-eight		

Geography

Our geography topic is Location and place- human and physical features. The children will be learning all about where you would find major countries and cities of the world as well as studying biomes (environmental area).

History

In History we will be learning about the ancient Greeks; who they were, when they ruled, the differences between Athens and Sparta, democracy and the Olympics. We will be looking at the theatre and its importance to ancient Greeks.

Science

Our learning will be focused on chemistry. We will be learning all about comparative tests and variables, before moving on to learn about all things materials and solutions. We will be learning about how to separate materials from solutions and investigating reversible and irreversible changes.

RE

In RE the children will be studying the miracles of Jesus. We will be looking at what Christians 'Wedding the 5,000' believe the of Cana and feeding tell us about Jesus.

Music/PHSE/Art/DT/MFL & Computing

During music the children will be learning about tone and pitch. In PHSE they will be learning about themselves and what makes them unique. In Art we will be using different media to draw and paint. DT will be construction, mechanisms and textiles, as well as cooking. All children from nursery to Year 6 will be learning French during MFL (Modern Foreign Language). The children will use their IT skills to code and learning all about computer hardware and how to use different programmes

PE

PE will be every Wednesday, where we will be learning a wide variety of sports with support from West Ham, and Thursday, Where we will be swimming this term.

Homework

Children will also be learning their high frequency words to learn with a test taking place on the following Thursday. These will be sent home on a **Friday** and due back on **Wednesday**.

Books will be changed every Thursday.

Your child's reading target is:
To read daily for between 20-30 mins (longer if you can!).

You can help your child achieve their target by checking they are reading everyday and making a note in their yellow reading diary.

Please ensure that your child brings their book bag to school every day so that we can keep track of reading and change books each week.
