Scheme for the Delegation of Governing Bodies Financial Powers and Duties to Others

Introduction

The Governing Bodies of schools with full delegated powers under the local management scheme are responsible for ensuring that the London Borough of Tower Hamlets Financial Regulations and the Standing Orders relating to contracts are adhered to.

In practice, many of the Governing Body's responsibilities will need to be delegated to a Committee of the Governing Body and/or to the Executive Headteacher.

To ensure that sound financial control is maintained, it is essential that the extent of delegation is clearly specified in writing.

The attached London Borough of Tower Hamlets Scheme of Delegation is taken from the London Borough of Tower Hamlets Finance Manual. Both schools follow the authority's Finance Manual. The scheme adopted by a Governing Body should cover all the areas in St Paul with St Luke & St Saviour's C of E Primary School Federation although the degree of delegation can be varied to meet individual requirements. In some cases, it may be appropriate to place financial limits on certain delegations and reserve decisions on the more significant items for the Governing Body.

Schools should "personalise" their scheme by incorporating their school name in the title page to their documentation. Reference should also be made to the date the scheme was approved by the Governing Body. Schemes also need to be specific when attaching responsibilities to particular posts (e.g. School Business Manager, Admin. Officer, etc.). Schemes should not simply refer to a "member of the clerical staff"

The Education (School Government) Regulations 1989 require that the meeting of the Governing Body deciding upon a Scheme of Delegation must have a quorum of three quarters of the total number of Governors entitled to vote.

It should be noted that the Scheme of Delegation complements the Council's Financial Regulations and Standing Orders and should be operated in conjunction with those documents.

In addition, each Committee of the Governing Body requires Terms of Reference and these must be reviewed annually

Guidance on financial matters is contained in the Schools Finance Handbook.
