## PE and Sports Premium Plan & Impact Report

This is a report to evaluate the impact of PE and Sports Premium. The government has allocated Sports Premium funds to schools which is ring fenced and must be spent on improving PE and Sport in schools. Excellent sports participation improves the health and wellbeing of our pupils. It encourages healthy eating and a healthy lifestyle and improves physical strength and flexibility. It also helps to improve team work and social skills as well as emotional intelligence and self-confidence. The funds should be spent to show impact in the following ways.

### Key indicators

1. Engagement of all pupils in regular physical activity
2. The profile of PE being raised across the school as a whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increase participation in competitive sport
6. Other indicators decided by the school

For **2024/25** we expect the amount of funding **£17,480** and aim to allocate the funding in the following ways. This will be enhanced and changed according to impact and school needs during the academic year.
