

NEWSLETTER W/E 24th January 2025

Dear families,

We look forward to seeing you next week at our termly parent consultation meetings. This is our opportunity to work together on the children's next steps. Please do enjoy going through your child's books and also any recent assessments and updating with any Al assisted learning logins. Our SENDCo, Ms Wilcox will also be available for you to share any concerns or speak with. Please feel free to come and talk with Ms Wilcox, or raise any concerns with the class teacher. Many of the children will be facing national assessments this term or the start of next so continuing our preparation together enables them to do their best academically supporting them to develop resilience.

This week we welcomed leads from St Paul's Cathedral because of the special lead music status with the cathedral and the opportunity that some of our children will be singing in the cathedral this half term as part of a celebration.

Wishing you a warm weekend.

BE SMART BE THERE!

ATTENDANCE MATTERS

WHAT DO YOUR
ATTENDANCE
FIGURES
ACTUALLY MEAN?

Pupil absence

If your child is absence from school, please contact the school office daily until they return.

Thank you

Our school target is 96%! Come on everyone, we can do it!

Polite reminder:

Children need to be in school on time.

Gates open at 8:45 and close at 8:55.

Early morning learning at this time sets the children up for the day.

Our Attendance Welfare Officer (AWA), Ranu Begum, attends school every Tuesday morning. Ranu checks our school registers regularly and will contact parents & guardians by letter or telephone. Meetings and home visits will be completed if there is a cause for concern.

Formal referrals of pupils with persistent absence or below 90% attendance will be made. Children need to be in school every day. Parents should be aware that they can ultimately be prosecuted for non-attendance offences.

We know that sometimes- even with children at school 190 out of 365 days in the year-they may fall ill. This can be worrying so please see advice from our local teams on https://www.towerhamletstogether.com/files/Care Confident Booklet A5 InteractiveB https://www.towerhamletstogether.com/files/Care Confident Booklet A5 InteractiveB <a href="https://www.towerhamletstogether.com/files/Care Confident Booklet A5 InteractiveB

Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on www.thinkuknow.co.uk

ACCEPTING

Think carefully before you click on or open something online (e.g. links, adverts, friend

requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline – 0800 11 11 or www.childline.org.uk

BE SMART WITH A HEART

Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.

NHS

flu: 5 reasons

to vaccinate your child

Most children have the nasal spray vaccine which is the preferred vaccine. A vaccine injection is also available which does not contain gelatine from pigs (porcine gelatine).

1. Protect your child

The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia

2. Protect you, your family and friends

Vaccinating your child will help protect more vulnerable friends and family

3. No injection needed The nasal spray is painless and easy to have

It's better than having flu The nasal spray helps protect against flu, has been given to millions of children worldwide

and has an excellent safety record

5. Avoid costs

If your child gets flu, you may have to take time off work or arrange alternative childcare

John 2:1-11

Jesus' first miracle is at a wedding. The wine had run out, which would normally have brought a great deal of embarrassment. However, Jesus turned the water, that was in large jars, into the best wine. The ordinary was transformed into the extraordinary.

Thank three people this week, someone at home, someone at school and a friend.
