

## NEWSLETTER W/E 19th September 2025

Dear families,

A wonderful week where we were able to meet with the families who were able to attend the parent meetings, if you were unable to please make an appointment to meet your child's teacher. Working in partnership with families plays a vital role in supporting the education of all our children and strengthening our school community.

Thank you for sharing your ideas as to how to make our school even better or meet any changing needs. We greatly value your input and look forward to continuing our collaboration throughout the year to ensure the best possible outcomes for all children. There will be more on this as we consider your feedback.

Looking ahead, the school is actively preparing for our annual Harvest Celebration. This special occasion allows us to come together in a spirit of gratitude and generosity, with pupils contributing food to support local families in need. We are excited to mark this meaningful event with the entire school community.

Thank you for your continued support.

# MacMillan Coffee Morning

A huge thank you to everyone who joined us for our Macmillan Coffee Morning. It was a lovely occasion, with staff generously donating and contributing towards the event.

### Kitchen Heroes

Our kitchen heroes have been busy once more this week, using natural ingredients to create the dye for a delicious rainbow cake, which was served as dessert the following day. The children were especially proud as the recipe included produce harvested from our very own garden beds – a true farm-to-fork experience!

## SCHOOL NOTICE BOARD

Our Year 3 class had the amazing opportunity to become master bakers this week! With the support from Cassie and the 'Grow Your Own Playground' team, from planning to the plate, these wonderful creations were all their own hard work. Those of us that got to taste their final products, I think we would all agree that they were delicious.

### Institute of Education

Faculty of Education and Society

## Final phase of our research on socioeconomic status & children's language and nonverbal abilities

### Introducing the researcher

I'm Mahi, a PhD student at the Institute of Education at University College London, supervised by Professors Andy Tolmie and Michael Thomas. If you wish to view a short video introduction from me, please feel free to scan the QR code here.

### To our participating families

Thank you once again for your valuable participation in the first wave of our research. I appreciate all the support you provided so far. This research will help us understand how children's experiences shape their learning and development. The findings will have important implications for education, helping to create better support and opportunities for all children to reach their full potential.

### What does participation involve for my child?

- Approximately 35 minutes of the same cognitive (language and spatial) activities your child was engaged in at school last year.
  - Your child will participate in activities like matching words with pictures, recreating patterns with blocks, identifying missing pieces, and describing object similarities.

### What do I need to do?

As you generously agreed last year to be contacted again for the final stage, I am now reaching out to kindly request your permission for your child to take part in this final phase of the research. You can provide your consent easily by scanning the QR code below or by using the link sent to you by headteachers.

If you have any questions, please email me @ [mahitab.elgama1.23@ucl.ac.uk](mailto:mahitab.elgama1.23@ucl.ac.uk)

If you wish to receive a personalized report for your child's performance please feel free to drop me an email 😊

Please scan this QR code to view all the information & provide your consent

When you click through to the end of the form, you'll see a thank-you message confirming your response 😊

## ATTENDANCE MATTERS

WHAT DO YOUR ATTENDANCE FIGURES ACTUALLY MEAN?

**BE SMART BE THERE!**

Percentages based on 190 academic days

### Polite reminder:

Children need to be in school on time.

Gates open at 8:45 and close at 8:55.

Early morning learning at this time sets the children up for the day.

Every day matters.  
Every minute counts.

Attending primary school regularly provides a wealth of social, health and academic benefits for children.

"Going to school helps me achieve my very best."

For a 2020 - 2021 copy of this book visit [https://www.gov.uk/government/uploads/attachment\\_data/file/464444/primary-school-attendance-booklet-2020-21.pdf](https://www.gov.uk/government/uploads/attachment_data/file/464444/primary-school-attendance-booklet-2020-21.pdf)

Our Attendance Welfare Officer (AWA), Lina Rahman, attends school every Tuesday morning. Lina checks our school registers regularly and will contact parents & guardians by letter or telephone. Meetings and home visits will be completed if there is a cause for concern.

Formal referrals of pupils with persistent absence or below 90% attendance will be made. Children need to be in school every day. Parents should be aware that they can ultimately be prosecuted for non-attendance offences. Holidays should also be taken in school holidays and not in term time.

We know that sometimes- even with children at school 190 out of 365 days in the year- they may fall ill. This can be worrying so please see advice from our local teams on [https://www.towerhamlets-together.com/files/Care\\_Confident\\_Booklet\\_A5\\_InteractiveBooklet2.pdf](https://www.towerhamlets-together.com/files/Care_Confident_Booklet_A5_InteractiveBooklet2.pdf) on common illnesses and when to seek support. Additional sports, including swimming, benefit children to be healthier and smarter. Please ensure children take full advantage of this by wearing appropriate kit and making sure they bring it with them each week!
