

NEWSLETTER W/E 10th October 2025

Dear families,

Another busy week of learning opportunities for our children. The whole school have been celebrating Black History Month with a wide range of learning, workshops and experiences. Famous poets, wonderful artists and significant figures have all been inspirational in supporting the children to produce some truly fantastic work.

As part of BHM, West Ham football club coaches delivered the Premier league Allstars' Anti-Racism workshops to our KS2 children. Double Women's European Championship winner Demi Stokes' journey to success was the focus for our children being able to see how racism in sports and society can be overcome.

Children from KS2 this week were representing school at the Tower Hamlets Cross-Country event in Victoria Park. Up against hundreds of children from more than twenty schools in the borough, the children performed marvellously.

This week our Year 5 & 6 children have been learning all about the fabric that their clothes are made from with Cassie, our gardener. Outside in the garden they were ripping, seeding and retting flax. In a few weeks time the children will then be weaving the flax to create fabric.

Have a restful weekend!

BLACK HISTORY MONTH 2025

Standing Firm in Power and Pride

Our children had an amazing time celebrating Black History Month by learning about significant individuals who have shaped our world. From trailblazers in science and art to champions of justice and equality, our children were inspired by the achievements and stories of these remarkable people.

To add some flavor to our learning, we also enjoyed a delicious Senegalese chicken and spinach stew, introducing us to the rich culinary traditions of West Africa.

Premier League Allstars

West Ham Football Club coaches have been in as part of our BHM celebrations delivering a Premier League Allstars anti-racism workshop to our KS2 children. England and Manchester City's double European Championship winning footballer Demi Stokes was the inspiration for the workshop. Sharing Demi's story of how she has had to overcome racism on her way to the very top of the game was a fantastic lesson for our children.

"Even if you have very little, you can go on and do whatever you want, and be whoever you want to be."

"If you stick at it and you keep doing what you're doing, you will get your chance."

SCHOOL NOTICE BOARD

Tower Hamlets Cross-Country

Thirty children from across KS2 were out representing the school at the Tower Hamlets Cross-Country event in Victoria Park this week. Our children in Years 3 & 4 ran 800m, while our Year 5 & 6 children ran just over 1500m. The children represented the school with grace and dignity and performed extremely well against some stiff competition from across the borough. Well done to all of them, we are proud of their effort.

SCHOOL NOTICE BOARD

Our Year 5&6 children had the wonderful opportunity of working with our gardener this week in the first of two planned workshops using and preparing flax. First the children observed and learned all about the materials that their clothes are made from and how these materials are sourced. They then got outside where they were ripping, seeding and retting flax. In a few weeks time the children will then be weaving the flax to create fabric.

SECONDARY TRANSFER 2026

Your child is in Year 6 so you will now need to make an online application to transfer from primary school to secondary school in September 2026.

Go to www.towerhamlets.gov.uk/secondaryadmissions where you will find:

- **The 'Ready for Secondary School in Tower Hamlets' booklet** – this has information on how to apply, secondary schools in Tower Hamlets and the admissions policy for Tower Hamlets Schools
- Key information on school admissions
- Visiting dates for Tower Hamlets schools

If do not live in the borough of Tower Hamlets you must follow the information provided by your home borough on how to apply for a secondary school place for your child. You must still apply online by visiting www.eadmissions.org.uk

If your child has not taken the CATS4 Banding Assessment in their Tower Hamlets primary school during September, you must also complete a [Banding Registration Form](#) and provide it to school.admissions@towerhamlets.gov.uk by 24 October 2025.

Remember to complete both the online application and **where necessary** the Banding Registration Form. If you do not submit the required forms, your application to Tower Hamlets schools cannot be fully considered and may reduce the chances of a place being offered.

Important dates:

From 1st September 2025 Make your application online at www.eadmissions.org.uk

You will receive an Application Reference Number once submitted which confirms receipt.

By 24th October 2025 Submit your Banding Registration Form to school.admissions@towerhamlets.gov.uk if your child has not taken the CATS4 Banding Assessment in their primary school.

31st October 2025 National closing date for applications

About Winter Illnesses and School Attendance

As we head into the colder months, it's common to see an increase in seasonal illnesses such as colds, coughs, and other respiratory infections. We understand that it can sometimes be difficult to decide whether your child should attend school when they are feeling unwell.

To help support your decision-making, please note the following guidance:

- **Children with mild cold symptoms**, such as a runny nose or a slight cough, **can still attend school** if they are otherwise well in themselves (eating, drinking, and alert).
- However, **children should stay at home** if they are experiencing more severe symptoms, such as:
 - A high temperature or fever
 - **Vomiting or diarrhoea** (children should remain at home for at least **48 hours after the last episode if it is norovirus**)
 - Any illness that makes them too unwell to take part in normal school activities

We encourage good hygiene habits, such as regular hand washing and covering coughs and sneezes to help reduce the spread of germs. If your child is unwell and staying home, please remember to notify the school as soon as possible.

Thank you for helping us keep our school community healthy and safe during the winter season.

Illness and Advice	
<p>Headache, earache and stomach ache</p>  <p>Children with headache, earache or stomach ache can go to school—just let the staff know they have felt unwell. Institute of Education

Faculty of Education and Society

Final phase of our research on socioeconomic status & children's language and nonverbal abilities

Introducing the researcher

I'm Mahi, a PhD student at the Institute of Education at University College London, supervised by Professors Andy Tolmie and Michael Thomas. If you wish to view a short video introduction from me, please feel free to scan the QR code here.

To our participating families

Thank you once again for your valuable participation in the first wave of our research. I appreciate all the support you provided so far. This research will help us understand how children's experiences shape their learning and development. The findings will have important implications for education, helping to create better support and opportunities for all children to reach their full potential.

What does participation involve for my child?

- Approximately 35 minutes of the same cognitive (language and spatial) activities your child was engaged in at school last year.
 - Your child will participate in activities like matching words with pictures, recreating patterns with blocks, identifying missing pieces, and describing object similarities.

What do I need to do?

As you generously agreed last year to be contacted again for the final stage, I am now reaching out to kindly request your permission for your child to take part in this final phase of the research. You can provide your consent easily by scanning the QR code below or by using the link sent to you by headteachers.

If you have any questions, please email me @ mahitab.elgama1.23@ucl.ac.uk

If you wish to receive a personalized report for your child's performance please feel free to drop me an email 😊

Please scan this QR code to view all the information & provide your consent →

When you click through to the end of the form, you'll see a thank-you message confirming your response 😊

ATTENDANCE MATTERS

WHAT DO YOUR ATTENDANCE FIGURES ACTUALLY MEAN?

BE SMART BE THERE!

Percentages based on 190 academic days

Polite reminder:

Children need to be in school on time.

Gates open at 8:45 and close at 8:55.

Early morning learning at this time sets the children up for the day.

Every day matters.
Every minute counts.

Attending primary school regularly provides a wealth of social, health and academic benefits for children.

"Going to school helps me achieve my very best."

For a 2020 - 2021 copy of this book visit https://www.gov.uk/government/uploads/attachment_data/file/464444/primary-school-attendance-booklet-2020-21.pdf

Our Attendance Welfare Officer (AWA), Lina Rahman, attends school every Tuesday morning. Lina checks our school registers regularly and will contact parents & guardians by letter or telephone. Meetings and home visits will be completed if there is a cause for concern.

Formal referrals of pupils with persistent absence or below 90% attendance will be made. Children need to be in school every day. Parents should be aware that they can ultimately be prosecuted for non-attendance offences. Holidays should also be taken in school holidays and not in term time.

We know that sometimes- even with children at school 190 out of 365 days in the year- they may fall ill. This can be worrying so please see advice from our local teams on https://www.towerhamlets-together.com/files/Care_Confident_Booklet_A5_InteractiveBooklet2.pdf on common illnesses and when to seek support. Additional sports, including swimming, benefit children to be healthier and smarter. Please ensure children take full advantage of this by wearing appropriate kit and making sure they bring it with them each week!
