

NEWSLETTER W/E 1st May 2026

Dear Families,

It has been another full and enriching week across the school. On Thursday, we were pleased to welcome families to our Autism coffee afternoon, providing an opportunity for parents and carers to come together, share experiences, and strengthen our supportive community. On Wednesday evening, pupils in Year 4 represented the school beautifully as they performed at the Raising the Roof concert at St Paul’s Cathedral—an inspiring occasion and a memorable experience for all involved.

In collective worship this week, we reflected on the parable from John 10:10, exploring the idea of “living life in all its fullness.” Pupils considered what this means in their own lives and within our school community, thinking about how we can ensure everyone feels valued, supported, and able to flourish. This message sits at the heart of our school vision and is one we will continue to revisit, alongside our values of care, respect and inspire.

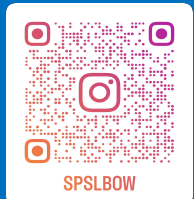

Today, school reports have been shared, celebrating each child’s progress and achievements. We encourage you to take time to read these together and acknowledge all that has been accomplished. Thank you, as always, for your continued support and partnership.

Wishing you a lovely bank holiday weekend,

*Mrs Smith
& Mr Hall*

WORSHIP FOCUS

John 10 1-10
Jesus teaches that he is the true shepherd and the gate for the sheep, who come to give life in abundance, while false leaders seek only to harm and mislead.

Happy Birthday to:

Aamira - Year 5
Lacie - Year 6

Let's remember to be thankful that we can learn more about Jesus from the Bible and that by talking to Jesus in prayer, we can stay close to Him.

ATTENDANCE MATTERS

WHAT DO YOUR ATTENDANCE FIGURES ACTUALLY MEAN?

BE SMART BE THERE!

Percentages based on 190 academic days

Polite reminder:

Children need to be in school on time.

Gates open at 8:45 and close at 8:55.

Early morning learning at this time sets the children up for the day.

Every day matters.
Every minute counts.

Attending primary school regularly provides a wealth of social, health and academic benefits for children.

"Going to school helps me achieve my very best."

For a 2020 - 2021 copy of this book visit https://www.gov.uk/government/uploads/attachment_data/file/464444/primary-school-attendance-booklet-2020-21.pdf

Our Attendance Welfare Officer (AWA), Lina Rahman, attends school every Tuesday morning. Lina checks our school registers regularly and will contact parents & guardians by letter or telephone. Meetings and home visits will be completed if there is a cause for concern.

Formal referrals of pupils with persistent absence or below 90% attendance will be made. Children need to be in school every day. Parents should be aware that they can ultimately be prosecuted for non-attendance offences. Holidays should also be taken in school holidays and not in term time.

We know that sometimes- even with children at school 190 out of 365 days in the year- they may fall ill. This can be worrying so please see advice from our local teams on https://www.towerhamlets-together.com/files/Care_Confident_Booklet_A5_InteractiveBooklet2.pdf on common illnesses and when to seek support. Additional sports, including swimming, benefit children to be healthier and smarter. Please ensure children take full advantage of this by wearing appropriate kit and making sure they bring it with them each week!

RAISING THE ROOF

We are incredibly proud of our pupils who recently took part in the **Raising the Roof Choir** event at St Paul's Cathedral. Performing alongside children from a number of other schools, they represented our school with confidence, enthusiasm and great pride.

The children sang beautifully, demonstrating not only their musical talent but also their teamwork, focus and resilience. Their voices filled the cathedral and created a truly memorable experience for everyone who attended.

Wishing Ms Martin All the Very Best

We would like to wish Ms Martin a fond farewell as she begins her maternity leave. She has been a valued member of our school community, and we are incredibly grateful for her dedication, care and commitment to the children. We wish her a happy, healthy and restful time as she prepares to welcome her new arrival.

Ms Martin has shared the following message:

"Thank you to all parents and carers for your continued support this year. It has been a pleasure getting to know your children and supporting them in their learning journey. I am very proud of the progress they have made and the goals they have achieved so far.

I encourage you to continue supporting their learning and development, and I wish you all the very best for the remainder of the academic year. Thank you also for your kind well wishes they are truly appreciated. The children have been very excited, making their own predictions about the baby, and I look forward to keeping them updated when the baby arrives."

We are pleased to welcome Ms Emily White, who will be joining our EYFS unit for the remainder of the academic year. Ms White will be covering during Ms Martin's maternity leave and is looking forward to getting to know the children and supporting their learning and development. We are confident she will be a wonderful addition to the team and know that she will be warmly welcomed by both pupils and families.

Parent Reminder – Playground Safety at Collection Time

A gentle reminder that children should not play on the playground equipment at the end of the school day during collection time. While we understand that children are eager to play, this is a busy period with many families moving around the space, and the equipment is not supervised at this time.

For everyone's safety, we ask that children remain with their parent or carer and leave the playground promptly once they have been collected.

Children should not be playing or rearranging any equipment in the EYFS playground during drop offs and collection. Unfortunately, the mud kitchen protective clothing has recently been disturbed and left in a messy condition. We kindly ask for your support in ensuring all equipment is respected and left as it is.

Thank you for your continued support in helping us keep all children safe.

SCHOOL NOTICE BOARD

Reminder – Children not bringing personal items in from home.

A gentle reminder that children should not be bringing in toys, cards, stickers, fidget spinners, lip glosses, hand-creams, key chains or stationary from home. These can be lost, damaged or stolen and can often cause unnecessary conflict between children. All stationary that the children need is provided by the school. If children, after agreement with class teachers and the SENDCo, require a fidget toy, these will also be provided by school. If the children need cream or lip balm, these are to be given to classteachers to keep in the medical bag.

Thank you for your continued support.

Swimming

Polite reminder that all children should attend swimming lessons. These are a compulsory part of the national curriculum for physical education and form an important element of your child's learning experience. These lessons are not optional and are designed to ensure that all children are able to meet national swimming expectations by the end of primary school.

As such, if your child is well enough to be in school, they are expected to take part in swimming sessions. If you consider your child has a medical condition that prevents them from swimming, please provide written evidence from your GP. However, in the absence of such a reason, all pupils will be expected to attend and take part in each lesson.

What to bring:

- Swimwear (trunks or swimming costume)
- Towel
- Swimming cap
- Goggles

Also reminder no earrings, please ensure these are taken out the night before.

Thank you for your support in helping us provide all pupils with the skills and confidence they need to stay safe in and around water. If you have any questions or concerns, please contact the school.

SCHOOL NOTICE BOARD

MEASLES CASES ARE RISING

Measles is a very serious illness and can spread very easily between children who are not vaccinated.

Measles starts with cold like symptoms, with a cough, fever and red eyes. Days later, a red or purple bumpy rash appears.

If you think you or your child has measles do not go out. Stay at home. Call your GP surgery or NHS 111. Rest, drink plenty of fluids and take paracetamol or ibuprofen.

The free MMR /MMRV vaccine gives the best, most effective protection against measles - it's quick, it's free, and it could save their life.

If you think you or your child have missed a vaccine dose, check their Red Book or ask your GP surgery.

হামের প্রকোপ বাড়ছে

হাম একটি অত্যন্ত গুরুতর রোগ এবং টিকা না দেওয়া শিশুদের মধ্যে এটি খুব সহজেই ছড়িয়ে পড়তে পারে।

হামের শুরু হয় সর্দি-কাশির মতো উপসর্গ দিয়ে, সাথে থাকে কাশি, জ্বর এবং চোখ লাল হওয়া। কয়েকদিন পর, শরীরে লাল বা বেগুনি রঙের ফুসকুড়ি দেখা দেয়।

যদি আপনার মনে হয় যে আপনার বা আপনার সন্তানের হাম হয়েছে, তাহলে বাইরে যাবেন না।

বাড়িতে থাকুন। আপনার জিপি সার্জারিতে (GP surgery) অথবা এনএইচএস ১১১-এ (NHS 111) ফোন করুন। বিশ্রাম নিন, প্রচুর পরিমাণে তরল পান করুন এবং প্যারাসিটামল বা আইবুপ্রোফেন খান।

বিনামূল্যে দেওয়া এমএমআর/এমএমআরভি (MMR/MMRV) টিকা হামের বিরুদ্ধে সবচেয়ে ভালো ও কার্যকর সুরক্ষা দেয় - এটি দ্রুত দেওয়া যায়, বিনামূল্যে পাওয়া যায় এবং এটি তাদের জীবন বাঁচাতে পারে।

যদি আপনার মনে হয় যে আপনি বা আপনার সন্তান টিকার কোনো ডোজ নিতে ভুলে গেছেন, তাহলে তাদের রেড বুক (Red Book) দেখুন অথবা আপনার জিপি সার্জারিতে (GP surgery) জিজ্ঞাসা করুন।

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about WHATSAPP

AGE RESTRICTION
13+

WHAT ARE THE RISKS?

WhatsApp is a free messaging app owned by Meta, allowing users to send text and voice messages, share multimedia, make video calls, and chat in groups. With end-to-end encryption, only the sender and receiver can view messages. This may offer privacy, but it also comes with risks that parents and educators need to be aware of.

GROUP CHAT PRESSURES

Group chats enable multiple users to message in the same space, but this can also make it easier for young people to feel excluded or overwhelmed. Negative comments can escalate quickly, and young people may feel pressure to respond or stay engaged even when the conversation is uncomfortable or upsetting.

SCAMS TARGETING YOUNG USERS

Scammers are increasingly using WhatsApp to trick users into sharing personal information. Common scams include fraudsters posing as family members in an emergency or tricking users into revealing security codes. These can lead to identity theft or access to private conversations.

DISAPPEARING AND HIDDEN MESSAGES

WhatsApp offers features like disappearing messages and 'Chat Lock', which can give users a false sense of security. While intended to protect privacy, they can be used by young users to hide inappropriate conversations or content, making it harder for adults to spot potential issues.

EXPOSURE THROUGH CHANNELS

'Channels' are an optional feature that allows users to follow updates from public figures or organisations; however, there is no way to block this feature or filter its content by age. Young users may encounter adult or distressing content, including misinformation and harmful ideologies.

UNWANTED CONTACT AND LOCATION SHARING

WhatsApp users can share their live location, and if not managed carefully, this can allow others – even those in mutual groups – to track someone's whereabouts. Also, without the right privacy settings, young users may be contacted by strangers.

COMMERCIAL AND AI CONTENT

WhatsApp now includes ads in the 'Updates' feed and has introduced an AI assistant – Meta AI – across the app, which cannot be removed. These additions raise concerns about targeting, privacy, AI use, and the type of content children and young people might interact with.

Advice for Parents & Educators

REVIEW PRIVACY SETTINGS TOGETHER

Help young users check who can see their profile photo, status, and location. Activate the 'Silence Unknown Callers' setting and set group chat invitations to 'My Contacts' or 'My Contacts Except...' for added safety.

TEACH HOW TO SPOT SCAMS

Encourage caution around unusual and unexpected messages, especially if they involve money or codes. Help young users understand the signs of scams and what to do if they receive a suspicious message. Enable two-step verification to add an extra layer of protection.

BE OPEN ABOUT HIDDEN CHATS

Discuss why children and young people might use features like disappearing messages or 'Chat Lock'. Encourage them to share if something made them uncomfortable, even if the messages are gone. Let them know that privacy should not mean secrecy.

TALK ABOUT ADVERTISING AND AI

Explain that WhatsApp now includes ads and AI tools. Discuss the difference between genuine and sponsored content, and the potential for AI to share inaccurate or age-inappropriate responses. Encourage young users to think critically before trusting or interacting with these features.
