

NEWSLETTER W/E 3rd July 2026

Dear Families,

As we approach the end of another wonderful school year, our pupils continue to enjoy a wide range of enriching experiences both in and beyond the classroom. This week, Year 4 explored the Tower of London, learned about the importance of community action on Cable Street, and enjoyed a fun-filled Bubble Fun session with Mrs Smith, proving that no matter the weather, we always find ways to bring joy to our children. Year 6 also represented our school brilliantly at the Poplar Parliament event, developing teamwork and leadership skills, while many of our children attended the Deanery Service, celebrating our shared Christian values with local schools.

Many of our Year 6 pupils have also visited their secondary schools this week. It has been lovely to hear that some have already made friends with children they met at the Deanery Service, helping them feel confident and excited for the next chapter.

We now look forward to celebrating our amazing Year 6 pupils and welcoming families to our Summer Fair. Thank you, as always, for your continued support.

Have a restful weekend!

**ATTENDANCE
MATTERS**

**WHAT DO YOUR
ATTENDANCE
FIGURES
ACTUALLY MEAN?**

Our Attendance Welfare Officers (AWOs), Lina Rahman and Samir Amin, attend the school every Thursday morning. Lina and Samir regularly monitor school attendance registers and may contact parents or guardians by letter or telephone where necessary. Meetings and home visits may also be arranged if there are concerns regarding a child's attendance.

Formal referrals will be made for pupils with persistent absence or attendance below 90%. It is important that children attend school every day to support their learning and wellbeing. Parents and carers should also be aware that continued non-attendance could ultimately result in legal action. Holidays should be taken during school holiday periods and not during term time.

We understand that, despite children attending school for 190 days of the year, they may occasionally become unwell. To support families, please see guidance from our local health teams on common illnesses and advice about when to seek medical support:

Additional physical activities, including swimming, help children to become healthier, more active, and ready to learn. Please ensure that children are able to take full advantage of these opportunities by bringing the correct kit to school each week.

Year 4 Visit to the Tower of London

Year 4 had a fantastic day exploring the **Tower of London** as part of their history learning.

During the visit, the children discovered the Tower's rich history as a royal palace, fortress and prison, and were fascinated by the famous Crown Jewels. They enjoyed learning about significant historical events and people, bringing their classroom learning to life through this exciting immersive experience.

Year 4 Community event

Year 4 took part in a community event on Cable Street, where they learned about the importance of working together to create positive change. The visit gave the children the opportunity to explore the history of Cable Street and understand how communities can unite to support local causes.

Alongside local schools, families and community organisations, the children reflected on the value of fairness, belonging and helping others. They saw how people can use their voices respectfully to make a difference and learned about the importance of active citizenship within their local community.

We were incredibly proud of the children's excellent behaviour, enthusiasm and thoughtful participation throughout the day. They represented our school with pride and demonstrated our school values, making the visit both a memorable and meaningful learning experience.

Bubble Fun with Mrs Smith!

No matter the weather, we will always find ways to bring joy to our children! Our Bubble Fun session with Mrs Smith was filled with laughter, excitement and plenty of giant bubbles. The children loved chasing, popping and creating bubbles, making the most of a fun-filled outdoor experience with their friends.

SCHOOL NOTICE BOARD

Year 6 Poplar Parliament Event

Year 6 had a fantastic opportunity to attend the **Poplar Parliament** event hosted by Langdon Park School at Spotlight, where they joined pupils from local primary schools to celebrate creativity, innovation and community.

Throughout the day, the children took part in a range of engaging activities designed to develop their teamwork, problem-solving and communication skills. They explored how young people can make a positive contribution to their local community while building confidence and learning alongside their peers.

The event reflected the values of the Poplar Parliament, inspiring our pupils to become thoughtful, responsible and active members of society.

SCHOOL NOTICE BOARD

Year 3's End-of-Year Picnic at Bartlett Park

Year 3 had a wonderful time celebrating the end of a fantastic year with a visit to Bartlett Park. The children enjoyed a lovely picnic together before making the most of the playground, where there was plenty of laughter, teamwork and fun.

SUMMER FAIR

Parent & Family Donations

Dear Parents & Guardians,

Summer is here! We need your support to help make our Summer Fair a fantastic afternoon for everyone. As we're aiming to raise as much as possible for the school, we're asking families, if they're able, to donate one item per child from their child/ren's class list below. From your donations, we'll make hampers for parents & guardians to purchase raffle tickets to win!

☐ Summer Hampers

Class	Donation Item
Nursery & Reception	Beach items and toys 🏖️
Year 1 & 2	Bottle of drinks (any bottles) 🥤
Year 3 & 4	Packet of biscuits & sweets 🍪
Year 5 & 6	Health and beauty ☑️

Please give these donations to your child to hand in to their class.

🥄 Sweet Donations — Decorate a Jar!

We need your help to create and donate a jar!

We're asking families to decorate an empty jar (e.g. a coffee or sauce jar) — get as creative as you like! Fill it with sweets, chocolates, or anything fun.

Final collection day: **Tuesday 14th July**

There's plenty of time to get creative — we can't wait to see what you come up with!

Once your jar is ready, please send it in with your child to hand in to their class.

Thank you for all your support! 😊

Top Tips for Staying Cool

	Stay inside During the heat of the day, stay inside and wear light, loose-fitting cotton clothes. Avoid being too active whilst it is hot.	
	Don't cook – eat cold food Eat cold food, especially fruit and salad with a high-water content.	
 Tepid not cold!	Cool yourself- evaporation Take a lukewarm (<u>not cold</u>) shower or bath. Pat skin with a towel, leaving it damp as water evaporating has a cooling effect. Dampen your skin regularly.	
	Cool yourself-hydration Drink cold drinks throughout the day. Water is best. Avoid caffeine.	
 Day - close up	Cool your home - windows When it is hot outside, close all windows, blinds and curtains. Open windows in the early morning, evening and during the night.	 Night - open up
	Cool your home – fans Putting a bowl of ice water in front of your fan makes it cool a room down more. Even just placing bowls of iced water and house plants in a room has a cooling effect.	
 Switch off!	Cool your home – switch off Turn off lights and any non-essential electrical equipment as they generate heat.	 Finished? Turn off!

Parent Reminder – Playground Safety at Collection Time

A gentle reminder that children should not play on the playground equipment at the end of the school day during collection time. While we understand that children are eager to play, this is a busy period with many families moving around the space, and the equipment is not supervised at this time.

For everyone's safety, we ask that children remain with their parent or carer and leave the playground promptly once they have been collected.

Children should not be playing or rearranging any equipment in the EYFS playground during drop offs and collection. Unfortunately, the mud kitchen protective clothing has recently been disturbed and left in a messy condition. We kindly ask for your support in ensuring all equipment is respected and left as it is.

Thank you for your continued support in helping us keep all children safe.

SCHOOL NOTICE BOARD

Reminder – Children not bringing personal items in from home.

A gentle reminder that children should not be bringing in toys, cards, stickers, fidget spinners, lip glosses, hand-creams, key chains or stationary from home. These can be lost, damaged or stolen and can often cause unnecessary conflict between children. All stationary that the children need is provided by the school. If children, after agreement with class teachers and the SENDCo, require a fidget toy, these will also be provided by school. If the children need cream or lip balm, these are to be given to class teachers to keep in the medical bag.

Thank you for your continued support.

Swimming

Polite reminder that all children should attend swimming lessons. These are a compulsory part of the national curriculum for physical education and form an important element of your child's learning experience. These lessons are not optional and are designed to ensure that all children are able to meet national swimming expectations by the end of primary school.

As such, if your child is well enough to be in school, they are expected to take part in swimming sessions. If you consider your child has a medical condition that prevents them from swimming, please provide written evidence from your GP. However, in the absence of such a reason, all pupils will be expected to attend and take part in each lesson.

What to bring:

- Swimwear (trunks or swimming costume)
- Towel
- Swimming cap
- Goggles

Also reminder no earrings, please ensure these are taken out the night before.

Thank you for your support in helping us provide all pupils with the skills and confidence they need to stay safe in and around water. If you have any questions or concerns, please contact the school.

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about WHATSAPP

13+

WHAT ARE THE RISKS?

GROUP CHAT PRESSURES

Group chats enable multiple users to message in the same space, but this can also make it easier for young people to feel excluded or overwhelmed. Negative comments can escalate quickly, and young people may feel pressure to respond or stay engaged even when the conversation is uncomfortable or upsetting.

SCAMS TARGETING YOUNG USERS

Scammers are increasingly using WhatsApp to trick users into sharing personal information. Common scams include fraudsters posing as family members in an emergency or tricking users into revealing security codes. These can lead to identity theft or access to private conversations.

DISAPPEARING AND HIDDEN MESSAGES

WhatsApp offers features like disappearing messages and 'Chat lock', which can give users a false sense of security. While intended to protect privacy, they can be used by young users to hide inappropriate conversations or content, making it harder for adults to spot potential issues.

EXPOSURE THROUGH CHANNELS

'Channels' are an optional feature that allows users to follow updates from public figures or organisations; however, there is no way to block this feature or filter its content by age. Young users may encounter adult or distressing content, including misinformation and harmful ideologies.

UNWANTED CONTACT AND LOCATION SHARING

WhatsApp users can share their live location, and if not managed carefully, this can allow others – even those in mutual groups – to track someone's whereabouts. Also, without the right privacy settings, young users may be contacted by strangers.

COMMERCIAL AND AI CONTENT

WhatsApp now includes ads in the 'Updates' feed and has introduced an AI assistant – Meta AI – across the app, which cannot be removed. These additions raise concerns about targeting, privacy, AI use, and the type of content children and young people might interact with.

Advice for Parents & Educators

REVIEW PRIVACY SETTINGS TOGETHER

Help young users check who can see their profile photo, status, and location. Activate the 'Silence Unknown Callers' setting and set group chat invitations to 'My Contacts' or 'My Contacts Except...' for added safety.

TEACH HOW TO SPOT SCAMS

Encourage caution around unusual and unexpected messages, especially if they involve money or codes. Help young users understand the signs of scams and what to do if they receive a suspicious message. Enable two-step verification to add an extra layer of protection.

BE OPEN ABOUT HIDDEN CHATS

Discuss why children and young people might use features like disappearing messages or 'Chat lock'. Encourage them to share if something made them uncomfortable, even if the messages are gone. Let them know that privacy should not mean secrecy.

TALK ABOUT ADVERTISING AND AI

Explain that WhatsApp now includes ads and AI tools. Discuss the difference between genuine and sponsored content, and the potential for AI to share inaccurate or age-inappropriate responses. Encourage young users to think critically before trusting or interacting with these features.
